Written Testimony
My name is Everett Higa and I'm 14. My uncle is a heavy smoker and my grandfather was also. My grandfather died of a heart attack at age 60. He smoked around my mom and her siblings. Her brother, my uncle developed a terrible nicotine addiction. He had developed extreme plaque build up in his legs. If he had gotten surgery any later, he would have lost the use of both of them. I want smoking in cars to immediately be banned to stop the rise of nicotine addicts in our state. Thanks.
